

MISS ROUSS TO WED; HER PARENTS "UPSET" BY SUDDEN NOTICE

Merchant's Daughter, Whose
Engagement Plan Failed, Gets
Marriage License.

Society folk have not been invited to the wedding of Miss Margaret E. Rouss, daughter of Mr. and Mrs. Peter Winchester Rouss of Garfield Place and Prospect Park West, Brooklyn, and George J. Patterson, New Rochelle, it appears that the wedding is about to take place.

Miss Rouss, athletic granddaughter of the late Charles Brodway Rouss, decided only recently she would become a bride. She informed her mother last Sunday evening, and on Monday the young woman—she is twenty—went with Mr. Patterson to

the Brooklyn Borough Hall and procured the marriage license. A friend of the family at the Rouss residence today said the event was of such suddenness that Mr. and Mrs. Rouss were too upset to discuss it.

Another friend of the young woman said the ceremony is to be performed to-morrow night. George J. Patterson is thirty-one, lives at No. 597 Second Street, Brooklyn, and is a member of the coal firm of Thomas J. Patterson's Sons, at No. 308 Livingston Street, Brooklyn.

He met Miss Rouss about three years ago. At that time she had a suitor, H. K. P. Sherwood, son of Mrs. K. P. Sherwood of No. 16 West Fifty-fifth Street, Manhattan. Two years ago, during the summer, Miss Rouss and Mr. Sherwood planned an elopement which fell through.

Peter Winchester Rouss conducts the business at No. 549 Broadway founded by his father.

DAVIS FOR BENCH AGAIN.

Bar Association Committee Also
Wants Bartlett Renominated.

The Judiciary Committee of the New York Bar Association last night recommended to the general body that Supreme Court Justice Vernon M. Davis, whose term expires with the current year, be supported for renomination. The term of Chief Judge Bartlett of the Court of Appeals also expires with this year. The Judiciary Committee reported that it had obtained the cooperation of the New York State Bar Association and the New York County Lawyers' Association in urging his renomination.

The committee opposed the bill introduced in Congress for the creation of two additional judgeships in the United States Court for the Southern District of New York.

SPOIL TWO NAPS TO WED.

Couple Wake Town Clerk and Justice for Midnight Wedding.
"Why not wait until Monday?" asked friends of Joseph W. Krobel, a Pennsylvania Railroad clerk, and Miss Irene Stiglitz, a pretty young Hungarian from Budapest, when they announced Saturday night that they were going to be married right away. But they wouldn't wait, so they eloped to Greenwich, Conn., with Walter L. Rathbone, an attorney of No. 182 Broadway, as guide and companion.

Town Clerk Wellstood, who has the issuing of licenses, was asleep when they arrived at 10.30, but they woke him up and got the necessary permit. Then they roused Justice of the Peace A. S. Mead, who performed the ceremony. The Justice and the clerk promised to keep the secret for two days, and so news of the late night marriage did not leak out until yesterday.

Gossard Front Lace Corsets

The designers of the well-known Gossard Corsets recognize two general types of figures.

Large Above or Below the Waistline

Large below the waistline—for this figure type there are 20 special models that by ingenious devices will positively reduce the hip measure from 1 to 4 inches or more.

Large above the waistline—a model for every woman of this type. Corsets with deep gorges in front, fullness at back, the scientific placing of bones, flexible front clasp and finest fitting service, solves the problems of this figure type. The models of this type will reduce the bust line from 1 to 4 inches.

Expert corsetiers will gladly give you a trial fitting.

HOLMES SUMMER PROTECTION

BEFORE closing your house or apartment for the summer, let us show you how complete and how thorough Holmes protection is.

In our system of Electric Protection, wires cover all openings to your home. These wires run direct to the Holmes Central Office nearest your property and cannot be disturbed without giving an alarm. In addition, we make weekly inspections of property placed in our charge.

Our system does more than guard against burglary. It prevents loss from such irregularities as fires, leaks, etc., which if not quickly attended to would soon grow serious.

Better let us tell you more about our system of temporary electric protection before you leave.
